ARCTIC PAYMASTERS!

Power of Attorney and Spousal Rights

- Soldiers must grant spouse a power of attorney (General or Special). Power of Attorney is required to release financial information on service member to spouse.
- With a general power of attorney the spouse (or designee) may:
  - Obtain a Leave and Earnings Statement from Finance
  - Cash checks for service member in their absence
  - File a travel settlement
- With a special power of attorney the spouse (or designee) may:
  - Obtain treasury check on behalf of soldier
  - Establish, change or stop an allotment
- **YOU CANNOT:** Receive payments when soldier is missing in action, interned

Squelch the Rumors

- SLA taken on Last In First Out Basis; cannot exceed 90 days
- Location of dependents while deployed is not a basis for BAH
- HFP, CZTE given regardless of time served in combat zone.
- HDP-L, FSA, BAS and per diem/incidentals are pro-rated

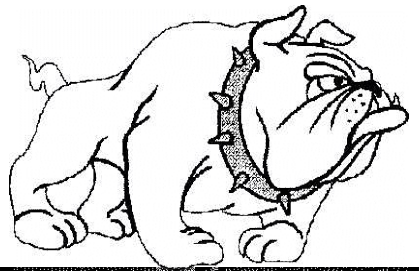
QUESTIONS

?

ARCTIC PAYMASTERS!



Financial Readiness

- Service member's Civil Relief Act
- Thrift Savings Plan
- IRAs
- Renter’s Insurance
- Life Insurance (SGLI)
- Auto Insurance while deployed
- Checking accounts (two per household?)
- Alaska Permanent Fund while deployed
- Pitfalls/Scams

SOLDIERS AND SAILORS CIVIL RELIEF ACT

THREE THINGS EVERYONE IS FAMILIAR WITH:

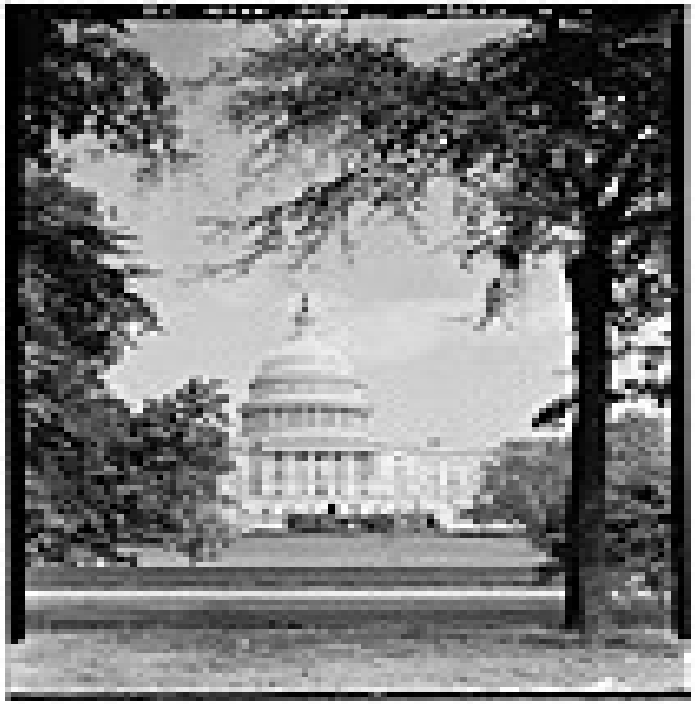
1. *6% Cap* on Pre-Service Interest Rates;
2. *Stays* for Civil Proceedings;
3. Requirement to Bargain for a *Military Clause* in Leases.

SERVICEMEBERS CIVIL RELIEF ACT

Enacted 19 December 2003 as 50 U.S.C. App. 501 *et seq*.

CHANGES:

1. No Military Clause
2. No Repossessions
3. Home & Auto Lease Terminations.



SOLDIERS AND SAILORS RELIEF ACT

- 6% Interest Rate Cap
  - **Applies ONLY to loans started *before* you entered active duty**
  - **Must be "material effect" to ability to repay**

Thank Congress!

Soldiers don't need to negotiate a good military clause anymore,because lease termination *is guaranteed* by the SCRA:

1. Upon receipt of PCS Orders; or,
2. Upon deployment for 180+ days.
3. Termination is effective 30 days after written notice of termination.

CAR LEASE TERMINATION

1. GIVE WRITTEN NOTICE.
2. RETURN THE CAR TO THE DEALER.
3. ONLY FOR PCS OR DEPLOYMENT

(6 MONTHS OR MORE).

Thrift Savings Plan

- A program for Federal Employees to include service members. Supplements Military retirement.
- Can contribute up to 9% of basic pay and up to 100% of special pays and allowances (limit of $13,000.oo per year)
  - Your TSP contributions are taken out of your pay before taxes are withheld, so you pay less tax now.
  - Taxes on contributions and attributable earnings are deferred until you withdraw your money.
- Must be signed up for contributing basic pay IOT contribute bonus pay

- For more info go to: http://www.tsp.gov/index.html

Individual Retirement Accounts (IRAs)

- IRAs: up to $3,000 annual contribution, taxes deferred until withdrawal and deduct contributions from your current income
- ROTH IRAs; $3,000 annual contribution, contributions not deductible, but withdrawals are tax free
- Start an IRA when you are young.
- Steady contributions now can equal big dollars down the road
- Traditional = $470,000 30 years from now
- Roth IRA = $650,000 30 years from now

Renter's Insurance

- Renter's Insurance is highly recommended and relatively inexpensive.
- Your possessions in Post quarters are not covered for loss by the government.
- Even if you store your HHGs during deployment consider keeping insurance on them.

Life Insurance

- All service member's are eligible for SGLI
  - Up to $250,000.00 coverage for the service member (Cost $16.25 per month)
  - Up to $100,000.00 coverage for the Spouse (Cost $6.00 per month)
  - Up to $10,000.00 coverage for each dependant child (Free)
  - Learn more at http://www.insurance.va.gov/index.htm
- You can get other insurance but beware of high prices and scams.

Types of Insurance

- Term
  - Covers for a specified time period, only payback is the death benefit, cheapest and simplest
- Cash-Value
  - Pays a death benefit, slowly builds cash value, can withdraw or borrow against, more expensive

Auto Insurance

- If your vehicle is not going to be used
  - Ask your agent for a premium discount
  - Keep the comprehensive
  - Don’t forget to activate your complete coverage the day you plan on driving the car again (to include any mid-deployment leave or R & R)
- If your vehicle is going to be used by your spouse
  - Contact your agent to decrease the annual mileage and change the primary driver
  - This will probably result in a decrease in your total premium

Checking Account

- Consider two checking accounts during deployment
  - Primary one for the spouse to use
  - A second account for the soldier to use while deployed
    - This way any withdrawals made by either soldier or spouse wont result in an overdrawn account.
    - Can set up an allotment to the second account for soldier to use overseas for personal items/gifts etc..

Alaska Permanent Fund Dividend

- Non first time applications can be done on-line (meaning you can do it while deployed)
- First time applications must be signed and include certified birth certificate
- Application period Jan-Mar (exact dates may vary by year) (2005 dates 2 Jan through 31 Mar 05)
- Military service member receiving HFP or IDP has 90 days after the last day of receiving that pay to apply for the PFD (enacted Spring 04)
- Think ahead if you want to apply for and receive the PFD in a timely matter

Re-Enlistment while deployed

- Bonuses in combat zone are tax-free
- $204 million available for re-up bonuses in FY 2005 (a 22% increase)
- $5,000 to $7,000 lump sum bonus for re-enlisting in Kuwait, Iraq or Afghanistan

Pitfalls/Scams

- Many organizations and individuals know that you will be earning more money.
- Avoid the temptation to pre-spend deployment pays and allowances.
- If it sounds too good to be true… it probably is!
- Tactics include:
  - Pretending to be a charity
  - Claiming to award a prize
  - Making unrealistic promises

MyPay DFAS (On-Line LES Access)

- Access at https://mypay.dfas.mil/mypay.aspx
- Service member establishes account and PIN (Login is SSN then PIN)
- By sharing your PIN with your spouse they can access your LES, travel vouchers, and W-2s (come tax time)

Bills While Deployed

- Know what bills you will be receiving each month
- Set up electronic funds transfer (hassle free)
- Have your Spouse pay the bills
- Don’t rely on the mail to receive and pay bills, you will be late.
- Don’t forget about the bills that come every 6 months or just once a year

Lessons Learned

- Medical (SRC, day long process)
- Finance (set up EFT, auto bill pay, spouse access, names on accounts) couple hoursto days
- Legal/Admin
  - POAs (Lengthy process to obtain data, ½ hr to execute; walk in at JAG)
  - Wills (1 ½ Hours to do, weeks + to schedule; Mon only)
- Transportation/Auto(Titles in whose name?) (Auto care by spouse?)
- Insurance (adjust based on storage) 1 hr
- Family Care Plans (10-12 hrs total)

Reasons to Stay in AK during Deployment

- Will not have military network or Family Readiness Groups available.
- LES, pay issues, childcare issues, admin issues and related services not avail
- COLA for dependents stops
- Housing is lost as well as command sponsorship
- BAH changes
- TRICARE/Medical may not be covered, increase in medical costs
- AER may not be available (not close to an installation), needed for emergency travel, car breaks down, etc
- Communication – support system here to answer questions
- Notification can take a lot longer
- Access to get ID cards
- Living expenses could increase because you don’t have PX or commissary
- No ACS or School Liaison available to help children deal with deployment.
